Dear Leila,

How are you? I'm a prep-school student. I'm twelve years old. I live with my mum and dad in a small flat in Minya. At the weekend, I'm usually quite lazy. I usually spend a nice time with my family. My parents and I go and visit my grandparents at their house. We usually have a big dinner with them and we sometimes stay at their house until it is late. Their house is bigger than our flat. On Saturday morning, I often stay in bed and then I have a late breakfast with grandmother - she's a fantastic cook! In the afternoon, I watch TV. See you soon.

Yours,

Magda

فقرات إنشائية وردت بالمنهج

1 Your daily routine

I'm thirteen years old. My daily routine is the same every day. I like getting up early, so I always get up at 6 in the morning. My mum always makes my breakfast. I always help her make it. Then I have a shower and put on my school uniform. I always go to school by bus with my friends Ali and Ahmed. Sometimes we listen to music. My parents work at the nearby hospital. They get home late, so I often help to make dinner. In the evening, I do my homework, read on the sofa, watch TV and text my friends. I always go to bed at 9.

2 A description of your bedroom

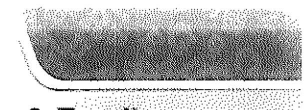

We have a big family house. I like it so much. I really like my bedroom. There is always lots of sunshine when I open the curtains. I like seeing the sunshine when I get up. My bed is under the windows. I have a big wardrobe in front of the bed. I put my clothes in it. There is also a sofa next to the window. I always read my favourite books on it. I put my things in a big chest of drawers. This is next to the door. I don't have a basin in my bedroom because the bathroom is next to my room. I have a big mirror. I always like to look at myself in it!

3 People and jobs

People have different jobs. Everyone should do the job they like. Some people are police officers. They are important. A police officer drives around the city and makes sure that people are safe in streets. He/She catches thieves and helps make traffic better. Some people are nurses. They are very important, too. A nurse helps look after patients in hospitals. Some people are street-food sellers. A street-food seller always works in streets. That's why their job is hard. He/She prepares food for people to eat. Some people are call-centre workers. A call-centre worker speaks to people on the phone. He/She helps them with their problems.

4 What you do at the weekend

Hi, I'm Omar. I'm a prep-school student. I'm twelve years old. I live with my mum and dad in a small flat in Minya. At the weekend, I'm usually quite lazy. I usually spend a nice time with my family. My parents and I go and visit my grandparents at their house. We usually have a big dinner with them and we sometimes stay at their house until it is late. Their house is bigger than our flat. On Saturday morning, I often stay in bed and then I have a late breakfast with grandmother - she's a fantastic cook! In the afternoon, I do my homework.

5 What is a hero?

A hero is someone who can be brave when they face a problem. A hero is a person who is able to help others. A person can become a hero by saving someone who is in danger. A hero is someone who puts people first. A hero thinks about other people before they think about themselves. Fire fighters are heroes. They think about saving people. Sometimes a hero can be a teacher. He/She can teach you to read and write. That will make a difference to your life. We have a lot of heroes in Egypt who we're proud of.

6 How life used to be different in ancient Egypt

Life in Ancient Egypt was different to today. Poor children didn't use to go to school. Children from rich families used to start school when they were about seven. Children used to enjoy playing games. When older parents died, they used to leave their houses to the sons. The Ancient Egyptians used to leave jewellery and furniture inside their houses to the daughters. They lived around the Nile River where they could grow crops. They built pyramids. You can still see these pyramids today. They knew a lot about maths, medicine and farming.

7 An object in your home

I'd like to describe my favourite object in my home. It's a vase. My friend Samy bought the vase from Aswan in 2000. It is made of clay and it was made in Egypt. The vase is fantastic. It is coloured beautifully. I put fresh flowers in this vase every morning. At present, this vase is kept on my desk. It makes my desk more wonderful. This painting always reminds me of my grandfather because it is the best present I got from him. I like it very much. Paintings make walls look beautiful. So I put it on the wall of my room. I feel happy when I look at it. My grandfather bought it when I succeeded in my exams.

8 What you think we can do to protect the environment

We can help protect the environment in our everyday life. The most important way to protect the environment is to plant trees. Trees may take long to grow, but they are good for our children. We must also stop cutting down trees. We mustn't destroy gardens and forests. We must use less water when we wash or brush our teeth. To protect the environment, we can walk, use bikes or public transports instead of our cars. Cars cause a lot of air pollution. We can collect rubbish and recycle it. This helps keep the environment clean. We should search for another type of fuel to use. We can use the wind or the sun instead of oil. Our environment needs our efforts to protect it. In this way we'll live a better life.

9 Random Acts of Kindness

Our class decided to do one act of kindness every day for three days. This is what I did: on the first day, I bought my mother flowers. On the second day, I gave my seat to an old man on the bus. On the third day, I donated money and clothes to a charity which helps disabled people. My friend Hossam did some acts of kindness, too. On the first day, he gave money to a beggar. On the second day, he gave directions to a stranger. On the third day, he helped an old woman cross a street.

10 How you could help people in your community

I can do many acts of kindness to people in my community. I can work as a volunteer in a charity or hospital. I can pick up rubbish and put it in bins. I can help my neighbours by doing the shopping. I can donate things and money to a charity. I have to help my old neighbours. I have to keep the street clean. This helps the street cleaners so much. I have to help beggars who are hungry. I have to be helpful in my community.

11 The importance of water

Water is very important. We cannot live without it. Water makes up more than half of our body weight. Water is necessary for drinking, bathing, cooking, cleaning, and washing and so on. We must save and recycle water. People shouldn't waste water. Some people waste a lot of water by washing their cars. We should take a five-minute bath to save water. We should keep the lakes clean. People mustn't throw rubbish in rivers. They should help clean them all the time.

12 Helping the environment

Environment is the nature in which animals, plants and people live. It's very important to look after the environment. There are many ways to do that. We can plant trees. We can recycle rubbish. We mustn't throw waste in rivers. We should use green means of transport. We can live a happy life if we do these things. We shouldn't throw plastic bottles or rubbish in rivers. We should use electric cars. Electric Cars are very useful to the environment. We should keep the environment clean to live a happy life.

Dear Hany,

How are you? I want to tell you about what I and my family usually do in the holidays. We don't usually have a routine in the holidays. I get up at 11. My mum is a housewife. I always help her make breakfast. My brothers help, too. My dad is a dentist. He usually takes us to a nearby park.

We always play and have fun when we go there. We have lunch and take a lot of selfies there. We go home at about four o'clock. In the evenings, I often listen to music. My dad and I sometimes play chess. My brothers always watch TV and my mum usually reads.

Yours, Nader

3 A person that you are proud of (your hero)

Dear Magid,

I want to tell you about my hero. My mother is a person I am very proud of. When she was younger, she used to study very hard. She wanted to be a doctor. She used to work to help pay for her studies.

In 2020, there was a health emergency. Many people were in hospital. I became ill, too. I was in hospital for two weeks. She helped me and other people in the hospital. She was always very kind. She is one of the most important doctors in Cairo. I am very proud of her!

Dear Noha,

How are you? It was our family's first trip to Luxor and Aswan. We flew to Luxor first. We began our tour with our guide named Ola. She made us feel happy and we visited all the places there. Ola was a clever guide. She gave us information about the ancient Egyptian culture.

In Luxor, we visited the Luxor Temple and the Karnak Temple. We bought tickets for the Sound and Light Show at the Karnak at night. It was amazing. In Aswan, we visited many wonderful places. We visited the High Dam, the Philae Temple and the Aswan Museum. I recommend this trip for my friends.

Yours, Manal

5 School rules

Dear Shady,

How are you? I want to tell you about my school rules. There are some school rules that I have to follow. At school, I have to arrive on time. I have to listen to my teacher. I don't have to answer all the questions. I have to wear the school uniform. I don't have to play at break. I have to behave well.

In the library, I have to keep quiet. I have to give the books back on time. I have to put away the books after I read them. I mustn't eat at the library.

Yours, Salah

6 The place where you live

Dear Maha,

How are you? I live in Aswan. It is located in the south of Egypt. Its weather is warm all year round. It is known for its ancient monuments. Tourists come from all over the world to visit it. They visit Philea Temple in the Elephantine Island and the Aswan Museum. Many crops are grown in Aswan like sugar cane , wheat and dates.

In Aswan you can eat many kinds of fish. People in Aswan are very friendly. You can go there from Cairo by train or by plane. When you go by train, you can see beautiful views.

Yours, Salma
